WORK EXPERIENCE

Freelance Web Developer | Aniflowinteractive

March 2024- Present

- Developed a static website for Aniflowinteractive, leveraging modern web technologies including HTML5, CSS3, and JavaScript.

- Designed and implemented responsive layouts to ensure optimal viewing experiences across various devices and screen sizes.

- Collaborated closely with the Aniflowinteractive team to understand their requirements and translate them into a visually appealing and functional website.

- Utilized industry best practices for SEO optimization, accessibility, and performance to enhance the website's online visibility and user experience.

- Provided ongoing maintenance and support, ensuring the website's stability and functionality over time.
